

The Retirement Advantage

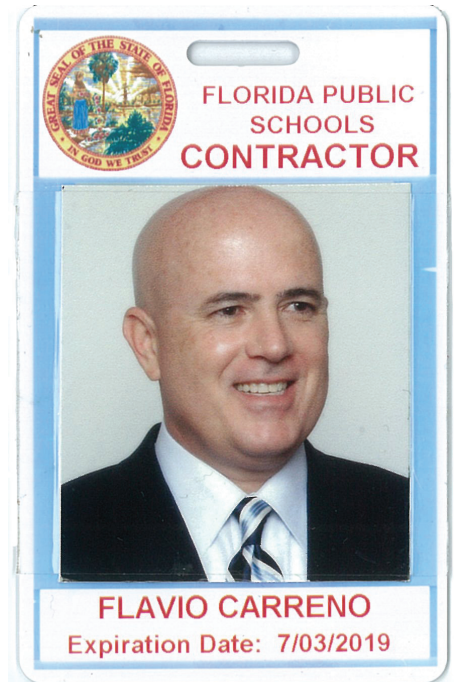

State Employee Retirement Specialists

Important Factors for You to Consider

Our experience will help address important factors and common concerns which will assist you in making an informed decision.

- Should you use DROP funds to pay debt?
- Should you merge your DROP funds with other retirement accounts?
- Which payout option is best for you?
- How will taxes affect your DROP payout?
- How much income will your DROP provide?
- What are your options regarding unused sick and vacation time?

We have been in business for over 25 years providing assistance and education in sound retirement planning.
